

THE TRANSFORMATION

From buried clips to *content that ships*.

PixSort organizes your photos and videos automatically, so you stop hunting for clips and start posting the content that grows your *audience*, your *brand*, and your *income*.

BEFORE

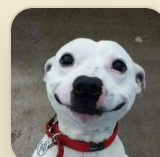

10K photos, *zero* structure,
nothing ever ships.

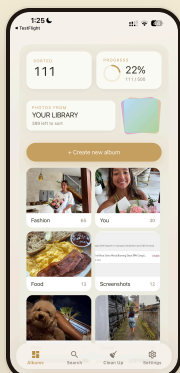

PIXSORT

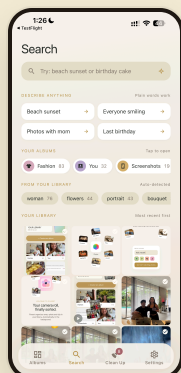

AFTER

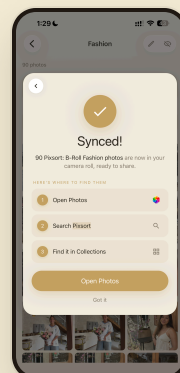

Sorted, searchable,
ready to post.

Smart Albums auto-fill

Search by anything

Sync & share anywhere

Three ways to *work together*.
